Hi Aden,

All of the porta potties and hand washing stations citywide are now being serviced daily. Additionally, Sanitation also monitors and logs the condition of these units daily. LASAN cleans and sanitizes them, as well.

If any of your constituents notice a unit is in need of service, they can call 1-800-TOILETS to report it. That phone number is also posted on the side of the units themselves. Or, you're always welcome to flag for us and we'll forward to GSD and the vendor.

Thanks.

Brian

Hi Brian,

Many of our constituents are inquiring about the maintenance schedules of hand washing stations and porta potties in the district - is this something you can provide at this time?

Best ,
